

FIG. 1 is a detailed cross-sectional diagram of a mechanical device, likely a pump or engine component. The diagram shows various parts labeled with numbers 1 through 31. Key components include a large curved outer shell (22), a central rotating assembly (10, 11, 25), and a complex internal mechanism (1, 2, 3, 4, 5, 6, 7, 8, 9, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 23, 24, 30a, 30b, 31). Arrows indicate fluid flow (24) and mechanical movement (2, 23). The diagram is a technical drawing showing the internal structure and components of the device.
